## JUDGE L. A. BERRY

Non-Partisan Candidate  
to succeed himself as  
Judge of the county court  
of Box Butte County

Having been unjustly and falsely accused by the Times, of having gotten the records of the County Court in a terrible condition, I wish to reiterate the fact that there is no truth in such statements, and that there are no better kept County Court records in the State of Nebraska than those of Box Butte County.

Not long ago these records were audited by an expert accountant, J. W. Guthrie, who pronounced them in excellent condition, and so reported to the County Board; if you wish to verify this statement ask Mr. Guthrie.

I have been for forty years in a line of business calculated to fit me for the office of County Judge, while the party opposing me has had no experience in that line; and it is just as essential that the County Judge of Box Butte County should be a lawyer as it is that the Judge of the District Court should be one, for there are just as important questions coming up in probate in the County Court as there are in the District Court.

L. A. BERRY.

## Wet Nebraska Pays 20 % More Taxes Than Dry Kansas!

FURTHERMORE, DRY KANSAS ASSESSES ITS PROPERTY AT PAR, WHILE WET NEBRASKA ASSESSES ONLY ONE-FIFTH.

THE STATE TAX RATE IN NEBRASKA (WITH SALOONS) IS \$6.80 PER \$1,000, ACCORDING TO THE LAST OFFICIAL REPORT—WHILE THE TAX RATE IN KANSAS (WITH PROHIBITION) IS ONLY \$1.20 PER \$1,000.

THE CHARGE THAT PROHIBITION MAKES TAXES HIGHER IS NOT TRUE. THE ABOVE REPORT IS TAKEN FROM THE LAST OFFICIAL RECORDS OF KANSAS AND NEBRASKA. THESE RECORDS ARE OPEN TO ANY THINKING PERSON.

READ THE TRUTH OF THE PROHIBITION QUESTION. THE NEBRASKA PROSPERITY (FOR SALOONS) LEAGUE DARES NOT FACE FACTS.

Nebraska is prosperous in spite of the saloon and not because of it
